As the Site Lead for the Joint Program Office MRAP Liberty Regional Support Authority I have worked alongside Don Taylor for approximately 5 months. Mr. Taylor served as the training supervisor overseeing a team of 7 individuals providing Operator and Field Level Maintenance training to soldiers and civilians on multiple variants of MRAP vehicles. In addition to serving as the training supervisor Mr. Taylor also routinely fills in as an instructor in order to meet the training needs of the program.

The training requirements of soldiers and civilians in the field are significant and require a great deal of flexibility on behalf of those giving the training due changing work conditions. Mr. Taylor has always gone out of his way to make sure that the mission comes first and that no one is turned away for training. As a supervisor he behaves very professionally and treats all those under him with dignity and respect. During our time working together I have witnessed him on several occasions make adjustments on the fly with regards to personnel assignments, class sizes, and class locations. There have been several instances where he has been responsible for overseeing multiple teaches taking place at the same time in different locations. He successfully handled these challenges without issue.

Mr. Taylor has been a pleasure to work with and is an asset to the JPO MRAP program. I have no doubts that his contributions to the program have directly benefitted war fighter and the United States military.

CANDIDATE PLATFORM REVIEW

Preamble:

We believe there are Timeless Truths that will always inform and direct our party and our country regardless of current events and circumstances, changing strategies, goals, and leadership. These Truths, put into action maintain, protect, and defend our unalienable rights to Life, Liberty, Property and the Pursuit of Happiness.

Life

1. All individuals are endowed by their Creator from the moment of conception to the moment of natural death with the rights to Life, Liberty, Property, and the Pursuit of Happiness. The purpose of government is to protect these rights for all.

Candidate Response: ☐ Agree ☐ Disagree ☒ Undecided

Equality

2. Every Citizen is equal before, equally protected by, and equally subject to the law.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Second Amendment

3. The right of individuals to keep and bear arms and ammunition shall not be infringed, restricted, or denied. Individuals must never be prevented from defending life, liberty, or property, and defending against tyranny.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Private Property Rights

4. The pursuit of an individual to rightfully acquire, keep, and enjoy his own property is foundational. Every individual has the right to develop his own potential, to use and enjoy his own property, tangible or intellectual, and pursue his own interests, free from restrictions of arbitrary force. Individuals are always presumed to be the best stewards of their property.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

5. The Wyoming Republican Party supports the protection of private property from the use of eminent domain, civil asset forfeiture, amortization or inverse condemnation.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Religious Freedom

6. The freedom to practice one's faith is a fundamental, natural right secured by both the Constitution of the United States and the Wyoming Constitution and shall never be infringed. The First Amendment does not require the expulsion of religion from public life. We must keep in mind the Judeo-Christian principles of the Founding Fathers when they wrote it; the practice of faith under this tradition encourages good moral behavior and the development of character that helps secure the other fundamental bases of our national citizenship. Freedom of religion, and the free exercise thereof, includes the right to abstain from actions contrary to one's religious beliefs.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Family Values

7. The Wyoming Republican Party believes in God's created order: that in His perfect design He created two sexes, male and female.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

8. Marriage is defined as the union of one man and one woman.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

9. The traditional family, based on the foundation of marriage between one man and one woman, is the best institution and is the authority providing children with education and training.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Liberty

10. No medical procedure, modality, or treatment should ever be mandated under any circumstances.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

11. Liberty is indivisible from economic freedom. The free market economy is the economic system most compatible with the requirements of personal freedom and constitutional government. Government's undue interference in the market, as well as the fiscal irresponsibility of Government, results in economic inequity. There exists no fundamental right to the fruits of another person's labor.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Citizen Government by the Constitution

12. The citizens of the United States are the ultimate authority. Governments possess powers derived only from the consent of the governed.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

13. Our constitutional representative republic remains the best political system, derived from history and knowledge of human nature, to prohibit tyranny, assure equality of opportunity, and protect our individual rights.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

14. The Constitution of The United States establishes a more perfect union of sovereign states, not a group of subordinate subsidiaries. Neither the judiciary nor the executive may effectively change the document via decisions, judicial opinions, or executive actions. The Constitution of the United States may only be altered by the processes of amendment as provided therein. The Constitution of the United States is the supreme law of the land. Under the Tenth Amendment, powers not enumerated in it are reserved to the States and the People. The most effective, responsible and responsive government is the government that is closest to the people. Government that governs least governs best.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

American Exceptionalism

15. The United States must maintain and defend its national borders and sovereignty free from foreign and domestic influences, and invasion that would infringe upon the rights of the American People guaranteed by the US Constitution. Domestic foreign policies must serve the just interests of the legal residents of the United States.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Military

16. It is incumbent on the federal government to maintain a strong military defense for the protection of our people, our interests, and our way of life. Those who serve our country honorably deserve our deepest gratitude, highest respect, unwavering support.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Taxes

17. All taxes collected must be used for the constitutional purposes of government. It is irresponsible to run up debts that are passed on to our children and grandchildren. Taxes should never be more than necessary to meet the government's constitutional obligations.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Education

18. The Wyoming Republican Party supports the teaching of the Constitution of the United States, the Constitution of the State of Wyoming, the Declaration of Independence, and other United States founding documents as well as the factual history and heritage of the United States in Wyoming schools and the historical evidence of the role of faith and biblical principles in the founding of our nation.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Water and Land Rights

19. The Wyoming Republican Party believes in the state's primacy over water, wildlife, minerals, and natural resources and the lands within Wyoming that we unappropriated to the state on July 10, 1890, and supports any actions which assure Wyoming's primacy over its water; i.e. the doctrine of prior appropriations, and the land within its borders.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

Right to Work

20. The Wyoming Republican Party opposes the unionization of public employees and supports the Right to Work Law.

Freedom of speech includes the freedom of the individual to express his or her beliefs, ideas, and opinions without fear of retaliation, censorship, or legal sanction by government.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided

23. The integrity of our elections must be upheld. The Wyoming Republican Party opposes any federal takeover or interference of federal, state, or local elections.

Candidate Response: ☒ Agree ☐ Disagree ☐ Undecided
