Biography

(https://steinmetzforsenate3.com/wp-content/uploads/2022/06/Senator_Cheri_Steinmetz.jpg)

My husband Corey and I have been fortunate to live in Goshen County for most of our lives. We have raised our family and built our businesses here among family, friends and neighbors. We have a deep appreciation for our independent rural way of life, our community and the land.

Senator Steinmetz represents Goshen, Niobrara, and Weston counties. She is a member of the Appropriations Committee and previously served on the following Senate committees: Agriculture, State and Public Lands & Water Resources; Transportation, Highways, & Military Affairs; and the Select Committee on Legislative Facilities, Technology and Process. She began serving in the Wyoming State Senate in 2019. Previously, Senator Steinmetz represented House District 5 from 2015 to 2018. More information may be found at wyoleg.gov. Larger government equals less individual freedom and prosperity. We must address the structural budget deficit without increasing taxes.
